PHOTO CAPTION:

Give Me a "B"! Members of the Rocky Point High School cheerleading team show their support for Bethpage Federal Credit Union, thanking them for their donation to help defray costs related to this year's national cheerleading championship in Orlando, FL. Flu-like symptoms among several of the young competitors defeated the team in competition this year, but in true cheerleading fashion, they are looking ahead to next year. The award-winning team has won the Long Island championship for the last two years. *Pictured left to right* - along with the members of the team - are Bethpage Federal Credit Union representatives Tara Labriola, Riverhead Branch Manager; Stuart Salembier, Port Jefferson Branch Manager; Richard Nicolich, Bethpage Financial Services; and Janet Young, Coordinator of the Long Island Varsity Cheerleading Champion Club.
