## **Bethpage Federal Credit Union Introduces Mobile Banking Service**

*Bethpage, NY...February 6, 2008* Bethpage Federal Credit Union (Bethpage) is taking advantage of the latest in wireless technology and handheld mobile devices to offer yet another convenience in banking with the credit union — Bethpage Mobile Banking.

“Bethpage Mobile Banking allows us to accommodate busy Long Islanders wherever they need to be, and where they need us to be,” said Bethpage President & CEO Kirk Kordeleski. “We continue to open new branches and ATM locations to provide financial services where people live and work, while Bethpage Mobile Banking provides the ease of banking on-the-go as an extension of that Bethpage commitment to convenience and accessibility.”

Bethpage Mobile Banking allows Bethpage members who are registered for Bethpage Online Banking (visit [www.bethpagefcu.com](http://www.bethpagefcu.com), create a Username and Password) to complete basic banking business in real time from a variety of nearly 6,000 different Internet-enabled mobile devices, including cell phones. Bethpage Mobile Banking is a free and secure service that allows an individual to access personal account balances and transaction histories, as well as perform fund transfers and bill paying.

To become the first credit union on Long Island to offer Mobile Banking, Bethpage conducted a test pilot program among its employees. According to participant Patricia Daley, Assistant Manager of Marketing for Bethpage, the benefits to Mobile Banking became immediately apparent.

“Representing Bethpage across Long Island requires that I attend a number of events before and after the standard work hours, as well as weekends,” said Daley. “I am often

away from my computer and Bethpage Mobile Banking enables me to use my cell phone to check my account balance in real time. So, whether I am standing at the grocery checkout or filling up at a gas station heading to the next event, I can quickly review my account balance and confidently complete the transaction.”

Bethpage Mobile Banking allows users to conduct banking functions remotely through such mobile devices as PalmOne OS, Windows Mobile, or RIM Blackberry. The device must have an Internet connection. A call to the mobile provider will determine if your device is equipped with mobile service capability.

Bethpage Mobile Banking users will simply enter <http://mobile.bethpagefcu.com> into the browser of the mobile device to log on using their Bethpage Online Banking user name and password. The Bethpage service is free, but the mobile device provider may charge for the minutes used while accessing the banking account.

Bethpage Mobile Banking is secure, with top-of-the line protocols in place — the Mobile Transport Layer Security and the Secure Sockets Layer — for encrypting data.

For more information, visit [www.bethpagefcu.com](http://www.bethpagefcu.com) or call toll free: (800) 628-7070.

**Bethpage Federal Credit Union** is a full-service, financial cooperative, offering a wide range of consumer products and services as well as investment, insurance, and small business services. A responsible corporate citizen dedicated to the quality of life on Long Island, Bethpage takes a leadership role in addressing issues, from housing to education. Bethpage maintains branches in Bay Shore, Bethpage, Commack, Farmingdale, Freeport, Glen Cove, Hempstead, Huntington, Levittown, Lynbrook, Massapequa, Melville, North Babylon, Port Jefferson, Riverhead and Smithtown with no-surcharge ATM access at 29 Shared Service Centers, King Kullen Grocery Stores, 7-Eleven Convenience Stores, Walgreen’s Pharmacies and Costco Wholesalers.
